Objective

I seek to train and work in Artificial Intelligence(AI) field.

Personal Statement

Computer systems Engineer Interested in producing AI robotics and AI projects.

Education

- Bachelor of Computer Systems Engineering: Palestine Polytechnic University, 2017-2021
- Diploma of Industrial Automation: Palestine Polytechnic University, 2015-2017

Languages

- Arabic
- English

Achievements

I was accomplished :

- Islamic slaughtering machine as a graduation project for my diploma degree,
- patients server robot as graduation project for my bachelor degree.

Key Skills

Certifications

Certified Computer Systems Engineer

Certified Industrial Automation Technician
